

Dear Uncle Harry,

I guess I'm late in writing but honestly I've been so busy moving and at the same time starting a new job.

I've started work as a Telephone Operator and am really enjoying myself a great deal.

I received the check and want to thank you immensely. Both Bob + I greatly appreciated it and I guess you know

That it came right in time.
We put most of it in the
bank but had to pay
some bills with the other.

Bob is now training
for overseas. Everyday I hope
& pray that the day will
never come for him to go.
I know he is not better
than anyone else but I
just want him here with
me.

I'm sorry I haven't
written more to you before
but I know how to tell you

All the news. I'll write you
some too so you can relate
the news to Jean.

I wish you would
thank the Board of Directors
also for me and also Bob.
Tell them we appreciated
it greatly.

I'll write again real
soon. Until then lot of
love from both of us.
Hello to all.

Pace & Bob
